Greetings:

For those who have completed **Secondary Education** and wish to further their education in **American**, this program is for you. This document represents and outlines the **Knowledge-First International Accelerated (16 weeks) Program**.

This is an **accelerated program**. Classes are **90 minutes** in length with a **30 minute** lunch period. We will conduct a **Morning** (Monday-Friday from 8:00am-4:00pm) and **Evening** (1:00pm-7:15pm AND Saturday from 9:00am-3:30pm) schedule. **Times may vary based on location and needs of the students**.

**** ALL CLASSES** are determined by the needs of the student as indicated by a **Mandatory Student Assessment** given to each student **AND** by the student's official secondary transcript. Student's course selection will be **individualized** based on these indicators.

***** IF YOU ALREADY HAVE A BACHELORS DEGREE WE HAVE A PROGRAM BUILT ESPECIALLY FOR YOU!! *****

Our program will also include a devotion to preparation for College and University Entrance Requirements. SAT, ACT and other examinations will be provided. Finally our students will receive **Intensive American Preparation (I.A.P.)**. We have found that **I.A.P.** is needed for our students to successfully navigate various features of the American-lifestyle and idioms.

So as you can clearly see, rather than traveling to America to be told that your diploma is **NOT RECOGNIZED**, students who attend the Knowledge-First InAcademy, travel to America with an American High School Diploma and are granted entrance to the college or university of their choice without the burden of **extra fees, loss of time and frustration!**

Your new life's journey awaits. Don't delay, classes are filling up quickly!! Give us a call at +234-906-787-9328 or send an email to registrar@kfiacademy.org to receive an application or further information.
